

# Census Takers in Your Neighborhood

Census takers will be visiting households soon beginning on a trial basis in July and official in August to those households that have not yet responded to the census.

## How Can You Verify That Someone Is a Census Taker?

If someone visits your home later this year to collect information for the 2020 Census, check to make sure they have a valid ID badge with their photograph, a U.S. Department of Commerce watermark, and an expiration date. Census workers may also carry Census Bureau bags and other equipment with the Census Bureau logo.
