

Mount Joy Borough Position Description

TITLE: EMERGENCY MANAGEMENT COORDINATOR

GENERAL SUMMARY:

Under General Direction; provide leadership and direction for public safety; organize and provide strategic and administrative direction for emergency services which are responsive to community needs; foster cooperative working relationships within the larger community and with regional, intergovernmental, regulatory and other agencies, various public and private groups and the public to be served.

In accordance with PA Title 35, an Emergency Management Coordinator (EMC) is appointed by the Governor upon the recommendation of the Mount Joy Borough Council. The coordinator shall be competent and capable of exerting leadership, planning, training and effecting coordination among operating agencies of government and controlling coordinated operations. The most important responsibility of the EMC is to coordinate disaster response efforts during the first 24 to 72 hours after any emergency. The EMC has a major role to play in helping the community and residents achieve the proper level of preparedness, response, recovery and mitigation activities for whatever may affect the Borough. The EMC must create interest, motivate and involve the community in these activities and keep elected officials informed and involved with these preparations. The EMC should use the resources available at county and state levels and within the community to assist with these responsibilities.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

1. Prepares and maintains an Emergency Operations Plan (EOP) for the Borough subject to the direction of the elected officials; reviews and updates as required. Develop and keep current emergency response checklists appropriate for the emergency needs and resources of the community.
2. Maintains coordination with the county Emergency Management Agency (EMA), and provides prompt information in emergencies, as available.
3. Coordinate with the county EMA, and in coordination with Police, Fire and Emergency Medical services, identifies hazards and vulnerabilities that may affect the Borough; recommends mitigation measures to reduce disaster effects; participates in the County Hazard Mitigation efforts and assists in pre-disaster mitigation planning and grant submission efforts.

4. Identifies resources within the Borough that can be used to respond to a major emergency or disaster situation and requests needed resources from the county EMA when needed.
5. Develop, maintain, and organize personnel, equipment and tools to work in the Borough emergency operations center (EOC) when activated.
6. Mobilize and manage the municipal OC during an emergency/disaster when appropriate and as directed by the Mount Joy Borough Council.
7. Compiles cost figures for the conduct of emergency operations and recommends budgetary allocations for annual costs.
8. Attend training, workshops and seminars provided by county and other sources to maintain skills and currency in emergency management and emergency response planning and procedures.
9. Have current appropriate plans, procedures, guidance, and laws issued by the county, PEMA, and the Commonwealth available within the EOC. Have knowledge of the federal and state required plans for the Borough's jurisdiction and coordinate with all applicable agencies dealing with emergencies at dams, chemical plants, schools, day care operations, hospitals, nursing home facilities and special events.
10. Provide prompt and accurate information regarding Borough disasters and emergencies to the appropriate Borough, county, Commonwealth officials and the general public.
11. Participate in all tests, drills and exercises, including remedial drills and exercises that pertain to the Borough, as scheduled by the county or Commonwealth.
12. Participate in the integrated flood warning systems program as applicable for the Borough.
13. Recommend to Borough officials the declaration of disaster emergencies when needed and send the signed disaster declaration to the county EMA when declared.

14. Conduct damage reporting/assessment and expeditiously, when possible, within 24-hours of a disaster, provide the information to the county emergency management coordinator or the county EOC if activated.
15. Respond to the location of a disaster as requested by Borough officials or the county emergency management coordinator.
16. Attain Basic and Advanced certification in accordance with PEMA Directive 2003-5 and Title 35.
17. Work with Borough officials to comply with the six components of the National Incident Management System (NIMS).
18. Other duties as assigned by municipal elected officials.
