

Park Clean Up Information

Join us on Saturday, May 13th at 9:00 AM at the Mount Joy Borough office parking lot. We will be cleaning litter from several parks and street areas around Mount Joy. The goal is to keep trash from ending up in storm drains and the waterways, leading to pollution, clogs, and flooded roadways. This will be a fun day, and groups, families, individuals of all ages are welcome to join us for the clean-up. Please register in advance by contacting Jenn Fetter at Penn State

Extension (jrf21@psu.edu or (717) 921-8803)
