Notice to the Public

June 29, 2020

The Mount Joy Borough office will be open during regular business hours (7:00 a.m.-4:00 p.m.), but we are limiting public access to the building for the safety of our staff and residents at this time. There will be a limit of two persons in the lobby at a time and social distancing will be enforced. Any more than two persons trying to access the Borough Building must wait outside until space is available. There is tape marking the floor to assist with social distancing. All persons are to wear face masks while in the Borough Building. Hand sanitizer is available to the public.

The Borough is strongly advising that you do not have to come into our building to pay your trash, water, or sewer bill, drop off building permits and purchase trash tags. You can continue to use the drop box to the left of the entrance door or send payments via mail to request trash tags or permit applications. The Borough does allow residents the option of online payments for water, sewer, and trash bills at <http://mountjoyborough.com/>. If you need a receipt for a cash or other type of payment, please call or email to let us know you have placed a cash payment in the box, and we will be happy to get the cash payment from the box and email or mail a receipt to you. If you mail in or use the drop box for a request for a trash tag, we will mail you the trash tags providing you provide a complete mailing address. Our phone number is 717-653-2300 or feel free to email the Borough at borough@mountjoypa.org. If you still must come into the office, we require social distancing and have placed hand sanitizer at the reception counter. Thank you for your understanding during this period.
