Executive Summary

May is often a slower month for library veterans. We are busy putting the finishing touches on all the Summer programming and PR. So, we clean and prepare for the busy summer months. Amy and I cleaned out the shed, and Susan fixed some shelving issues. We attended many meetings including one for the Extra Give in November. Jan – as only Jan can – wrote and produced a skit to help the Donegal Indians remember to read all summer long.

Elizabethtown HUB received another 3-year grant from the United Way. We are included in that and will to need to do a few extra meetings as we are now the lead agency for the Donegal HUB. We also moved our requirements out of the early reading field into work readiness skills. That should help us set up computer classes, a jobs board, GED materials, a services fair, etc. Adult programming that makes a difference will be the goal. The Columbia/Donegal partnership was not funded.

Auction planning is well underway. After the Chamber's big success, we are hoping to capitalize on the momentum. We are thinking "The 80's? Like, Totally! Video tapes, Pacman and Rubik's cube will be at the heart of the décor and some prize themes as well.

Personnel (Susan and Barbara)

- Susan attended LSLC technology interest group meeting
- Interviewed and hired Amelia Rhoads as our summer youth services assistant.
- Friends Treasurer and Book Store Manager Lee Laverty has turned in her resignation. She and her husband are moving to Florida this summer. Newly installed treasurer is Marilyn Barnet and the book Store Manager will be Donna Collier.

Community Relations (Barbara et al)

- Attended 1 Chamber luncheon and follow-up auction meeting.
- Attended weekly Rotary meetings, Friends of the Library meeting, Mount Joy Borough meeting.

- Hosted the Donegal HUB meeting and 1 leadership meeting. Attended Bridges out of Poverty meeting.
- Met with New Food bank director.
- Attended Etown HUB meeting

Youth Services (Jan)

- Susan relabeled old juvenile non-fiction to reflect new protocol.
- Recorded Summer Reading Program skit for the Donegal SD's June DTV morning announcements.
- Did a "live read" on Facebook of *One Little Blueberry* to promote the blueberry sale over 600 views.
- Read one final time to the current Donegal Kindergarten classes.
- Designed, built and rode the library float in Mount Joy Parade.
- Got Donegal Board approval, counted, sorted and dropped off Summer Reading event lists to Donegal Primary School, Intermediate School and Kraybill Mennonite School

Facility (Barbara)

- Met with Sidewalk repair crew. Sent sidewalk questions to Brian Ebersole (twice) and to Stacy at the Borough.
- The Thermostats went crazy! They are spamming me regularly. One weekend I had over 500 error messages from the thermostats. The HVAC system is working. We just cannot get the thermostats to talk via WiFi to us. Without that connection, we are unable to change the settings. IT is working on the problem.
- Kitchen countertops have become unglued again. – last year's solution lasted about 12 months.
- Shelving brought in from the shed to help hold overlarge art books.
- Monarch Way Station status was recognized and a sign was purchased.

Volunteers/Programming/Fundraising (Amy)

Fundraising:

- Attended *ExtraGive* information session with Director. Brainstormed event and marketing ideas
- *Blueberry for Books* sale still underway.
 - Considering shortening sale length next year to 1 month instead of 2. This is to increase impact of marketing, sustain hype realistically, and prevent patron burnout.

General Experiences:

- Hosted a needle-felting demonstration. Interest garnered resulted in a new interest club started – "Needle Felting Friends". They will meet once per month, sharing ideas and learning the craft.
- GiftWorks transition to the Cloud is nearly complete. Once finished, I will explore new features that could benefit us in our fundraising efforts; special emphasis on auction-related efforts.
- Hosted Asera Care Hospice's event. Hospice coordinated an open house of businesses/services to help people pre-plan practical steps for post-loss.

SUBJECT: Final Subdivision & Land Development Plan for Laurel Harvest Labs

Dear Stacie:

On behalf of the applicant, Laurel Harvest Labs, LLC, I am requesting a 90-day time extension in accordance with Section 240-29 of the Borough Subdivision and Land Development Ordinance to allow a delay in recording of the above referenced plan.

The reason for the delay in recording this plan is because of a pending law suit by another entity unrelated to the applicant that is delaying the State from awarding firms such as Laurel Harvest Labs from growing medical marijuana for medical research purposes.

It is further noted that we have actively been working to make sure all outstanding items are in place to allow the recording of the plans once the lawsuit has been settled.

Please contact me if you have any questions.

Sincerely,

Subject: Rotary Park Fry Wagon at Music in the Park

Good Evening Chief Williams and Sam,

As a follow-up to the Safety Committee's recommendation this evening regarding the approval to place our Fry Wagon at the Music in the Park events this summer, do you need anything in writing from me for us to be placed on the July 2 Council meeting agenda, or will it be automatically placed on the agenda as a result of the Committee's recommendation? I just wanted to check to be certain. I can submit a letter if you need one.

Our current president, Joanne Pinkerton will be attending the July 2 Council meeting in my absence, as I will be out of town.

It is my understanding that the Committee recommended approval of our placing the Fry Wagon in the first parking space on the west side of Delta Street closest to Marietta Avenue. The wagon can be moved in a day early (Saturday) and must be removed from the space no later than Monday morning. The wagon may not remain in the street in between events. Rotary plans to serve fries at the July 29 and August 5 events, and possibly the August 12 event (to be determined) as well.

Sincerely,

Dave

Subject: Rotary Fry Wagon at Music in the Park

Hello Chief Williams,

The Rotary Club of Mount Joy has been asked by the Mount Joy Chamber to provide our Fry Wagon at this year's Music in the Park events at Memorial Park. We would like to do two (maybe three) of the four events. The first would be Sunday, July 29. Although Brian Brubaker has indicated that we could situate the Fry Wagon on the grass, perhaps (he is checking with Public Works, I believe), our preference would be to place it on the street, either Delta or Market Streets in a parking spot or two, if needed, similar to what we do at the Winterfest. What would be involved for us to be able to park the wagon temporarily on the street at the curb line? We would serve from our window toward the curb, and not from the street. If possible, we would like to leave the wagon on the street for a week between the two events, so we do not have to move it back and forth. What must we do to get permission to do this? If a phone call is needed, or if I or someone from our Club needs to come talk to someone, let us know.

We will await your reply. Thank you...

Sincerely,

Dave

Good Morning Sam -

I hope you had a wonderful Father's Day weekend.

Our date for movies in the park is July 21 our rain date is Aug. 4 Th.

We will need electric.

Movies will be at dusk. Games will be in the park an hour before.

Screen is 10 by 12

MSMJ will provide popcorn and concessions and someone from MSMJ will be present for set up and clean up.

Movies starts at dusk so MSMJ is requesting a exemption to the noise ordinance and the use of little chiques park after dusk.

Can you please add it to council agenda for July.

This is the only date I have so far. If I get another date for a second one in August. I will send you a revised request before June 30th. The movie will be Sherlock Gnome.

I think this covers what you need. If I'm missing something please advice.

Thanks Kim

FIREWORKS FREQUENTLY ASKED QUESTIONS

House Bill 542 was signed into law on October 30, 2017. Under the new law, the Fireworks Act of 1939 was repealed and replaced in its entirety. The complete version of the new law can be viewed [here](http://www.agriculture.pa.gov/Business_Industry/fireworks/Documents/New%20Fireworks%20Law%20-%20Effective%20October%2030%202017.pdf) (http://www.agriculture.pa.gov/Business_Industry/fireworks/Documents/New%20Fireworks%20Law%20-%20Effective%20October%2030%202017.pdf). However, the questions and answers below highlight the most noteworthy changes.

Q: Which fireworks are Pennsylvania residents now allowed to purchase and use?

Consumers can now purchase and use "Class C" or "consumer-grade" fireworks that include firecrackers, Roman Candles, bottle rockets, and similar fireworks that contain a maximum of 50 milligrams of explosive material. The expansion includes those fireworks that were previously only available to out-of-state residents.

"Display fireworks," which are classified as including salutes that contain more than two grains or 130 milligrams of explosive materials, and professional-grade aerial shells containing more than 60 grams of pyrotechnic compositions, are still only to be used by professionals with a permit from the municipality where the display will take place.

Q: Who can purchase fireworks?

Anyone 18 years of age or older can purchase them.

Q: What are the restrictions on where they can be used?

- They cannot be ignited or discharged on a public or private property without express permission of the property owner.
- They cannot be discharged from or within a motor vehicle or building.
- They cannot be discharged toward a motor vehicle or building.
- They cannot be discharged within 150 feet of an occupied structure.

They cannot be discharged while the person is under the influence of alcohol, a controlled substance, or another drug.

Also, it is recommended that you check with your local municipality, as you may also be subject to applicable local ordinances.

Q: Where can the fireworks be purchased?

They can be purchased at any licensed facility, including temporary ones. The licenses are issued by the Pennsylvania Department of Agriculture. Examples of temporary facilities include tents or other structures found in parking lots. These temporary structures can sell fireworks between the dates of June 15-July 8, and December 21-January 2 each year. Click [here](http://www.agriculture.pa.gov/Business_Industry/fireworks/Pages/default.aspx) (http://www.agriculture.pa.gov/Business_Industry/fireworks/Pages/default.aspx) for more information on Department of Agriculture licensing.
