- 19) Executive Session to discuss a Personnel & Legal Matter.
- 20) Adjourn

The next regular Borough Council meeting is scheduled for 7:00 PM, on Monday, August 7, 2023.

DRAFT

June 28, 2023

Mr. Robert R. Jerman, Chair
Vacancy Board
21 East Main Street
Mount Joy, PA 17552

Dear Chairman Jerman:

In response to the notice on the Mount Joy Borough website, please accept this letter as my interest to fill the vacant seat in the Florin Ward on Borough Council.

I am the Republican candidate for the Florin Ward seat in the 2023 Municipal Election. Currently, I am a committee executive director in the Pennsylvania House of Representatives. Prior to my current position, I worked as the government affairs director for several non-profit organizations and was part of the executive team at the Pennsylvania Department of Labor & Industry under the Corbett Administration. I started my career in Washington, D.C., serving on legislative staff for former Congressmen George W. Gekas (R-PA-17) and Timothy F. Murphy (R-PA-18).

I have been a resident of the Florin Ward since 2012. My goal in this position is to work cooperatively with my colleagues to make sure our community remains strong.

I would be honored to receive the Council's support to fill the vacant seat in the Florin Ward.

Sincerely,

David G. Greineder

5a

BOROUGH OF Mount Joy

Lancaster County, Pennsylvania

RESOLUTION NO. 2023-10

A RESOLUTION OF THE COUNCIL OF THE BOROUGH OF MOUNT JOY,
LANCASTER COUNTY, PENNSYLVANIA, TO APPOINT A SUCCESSOR TO THE
VACANCY CREATED ON BOROUGH COUNCIL.

WHEREAS, a vacancy exists on Borough Council as of JUNE 12, 2023 when the person
elected to the seat RESIGNED FROM Borough Council; and

WHEREAS, in accordance with the authority granted to Borough Council by Section 901
of the Borough Code to appoint successors to fill vacancies of elected Borough officials, Borough
Council desires to appoint a person to serve as a member of Borough Council to fill the vacancy
in the office of Borough Council.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Borough of Mount Joy,
Lancaster County, Pennsylvania, as follows:

Section 1. Pursuant to Section 901 of The Borough Code, as reenacted and codified, 8
Pa.C.S. § 101 *et seq.*, Borough Council appoints _____, a
registered elector of the Borough who has resided within the Borough continuously for at least
one year, as a member of the Mount Joy Borough Council to fill the vacancy which has occurred.

Section 2. _____, the newly appointed member of the
Borough Council of the Borough, shall hold office until the first Monday in January 2024.

Section 3. This Resolution shall take effect and be in force immediately.

DULY ADOPTED this 3rd day of July, 2016, by the Council of the Borough of Mount
Joy, Lancaster County, Pennsylvania, in lawful session duly assembled.

BOROUGH OF MOUNT JOY
Lancaster County, Pennsylvania

Attest: _____
(Assistant) Secretary

By: _____
(Vice) President
Borough Council

[BOROUGH SEAL]

**BOROUGH OF MOUNT JOY
LANCASTER COUNTY, PENNSYLVANIA**

OATH OF OFFICE

I do solemnly swear (or affirm) that I will support, obey and defend the Constitution of the United States and the Constitution of this Commonwealth and that I will discharge the duties of my office with fidelity.

Signature of Official: _____

Printed Name of Official: _____

Office or Position of Official: _____

Sworn and subscribed to before me this _____ day of _____, A.D.
20_____.

Joseph

- Asked to present at Mount Joy Lion's Club meeting May 2
- Attended Lancaster County Library Association [LCLA] meeting May 3
- Finalized new Service Desk hire May 4
- Attended MSL Friend's Group meeting May 8
- Out of office May 10, 11 and 12
- Met with Jeff Gable of Gable Design about library shelving May 16
- Attended Lancaster District Negotiations on May 17
- Met with Les Kreider of Kreider Canvas about possible shade for Library Courtyard, May 22
- Attended Book Bann Webinar May 23
- Met with Wellspan Representative about MSL EAP on May 24
- Met with Chamber of Commerce Scholarship Committee on May 25
- Family Vacation June 2 thru June 10.

Community/Service Point (Susan)

- Attended auction BASH meetings and CORE 4 meeting
- New employee Stephanie started her circ training
- Created a summer schedule that hopefully works for everyone
- Processed a lot of new items with help from Jazmynn (she puts book jackets on new arrivals!)
- Scheduled Rachel for linking training
- Passed Mandated training
- changes

Youth Services (Jan)

- Despite a short storytime cycle this month (I took 2 weeks off for SRP planning) we had 62 different families sign up and 257 attend.
- We had 22 book bundles for May; I think we had trouble keeping up as we were so busy with other things.
- Finished the 6 week Homeschool Spanish class (3 weeks in April and 3 in May). I was overwhelmed by the almost 40 who have attended each week. The fiesta in May was a blast with 62 sharing food and fun. The first time I've allowed food since COVID I think!

- Hosted our first Kraybill School Art Show. It was a howling success with over 140 attending, including the principal and many of the teachers. They've already asked to do it again next year!
- Taught a Child Development class for Etown High School students about ways to develop a child's interest in reading.
- Designed, prepped and built the parade float with much help from Rich Nornhold and his friend Nate. Galen Kopp drove his tractor and provided the wagon again this year. We tried to remember how many years we've been doing the parade, but really can't remember. Kudos to Megan for using the cricut and cutting the many flowers for the parade float.
- Hosted another Classical Guitar Society of Lancaster concert with over 50 attending.
- Ended the month (the 31st) with a visit and video for Donegal Primary School's D-TV. Wrote a little script which the 2 "reporters" and I read (and the Big Red Hen). Liked it enough to have Kirstin film it at the library and put it out on social media. Megan helped out; her facial expressions are stunning!

Public Relations/Promotions (Kirstin)

- **CONSTANT CONTACT:**
 - June 2023 Enews: sent to 3538 contacts (38 new), 1516 opens (46.3%), 98 clicks (3%)
(There were 267 "bounces" – I will look into that.)
 - "Welcome Letter" for May sent to 53 new patrons – 64.7% open rate!
- **SOCIAL MEDIA:**
 - Facebook – Total Page Followers 2,461 (13 new); 13, 069 reached; 4,283 engagements; Created 8 Events.
 - Instagram – 1,034 followers (9 new)
 - Created/posted Promos for special programs
- 5 Press Releases - Distributed via news media, municipalities, and Chamber of Commerce.
- **WEBSITE**
 - 4,443 users; 8,016 page views

These are the highest view counts: 1,000 page views of calendar; 370 Family Story Time

- Created 5 new banners for the home page
- The System switched over to a new online calendar, so I had the task of learning the new system and having all programs input for going live by June 1.
- **MISC**
 - Held first Social Media Giveaway using "Once Upon a Book Box" donated by a patron
 - Attended Kraybill Art Show to take photos
 - Created SRP calendar of events for Jan to take to schools
 - Created QR Code for Library Survey, sent through Constant Contact, added to calendars
 - Added more photos to our Google page.
 - Updated June print calendar and calendar for Lobby/kids area

Volunteers/Programming/Fundraising (Kim)

- Annual Patron Appeal 2023
 - As of May 31: \$29,731.70
- Legacy Bricks
 - Bricks ordered as of May 31: 121 of 392. We're at 31%.
 - Have launched Logo Legacy Bricks, aimed at businesses. Cost per brick is \$225; our cost is \$125. Tell your business friends!
 - Designed the new order form.
 - Went to Drohan Brick to proof check the first 111 bricks. Megan assisted.
 - First 120 bricks being laid on Monday, June 5, weather permitting!

- Adult Programs
 - Interviewed a local author who is going to come do a program for us in July.
 - Based on what I read on the “Programming Librarians Interest Group” on FB, we are ahead of many other libraries when it comes to adult program attendance. We are getting great response to our adult programs, and attendance has been up.
- Adult Summer Reading Program
 - Created “Read Your Bucket List” theme for adults.
 - Designed the program, and created posters, forms, and other collateral materials.
 - Launching June 1.
- Volunteers
 - Total hours in May: 122.75.
 - Interviewed volunteer who needed to do community service hours - worked an additional 35 hours.
 - Monthly enewsletter now has a Volunteer Spotlight where we will honor a volunteer each month.
- End-of-Summer Benefit Bash - Friday, August 25; 4 – 7 pm
 - We now have a band who will play from 5:30 – 7.
 - Still looking for a few acts to perform at the beginning of the event.
 - Will start soliciting for gift cards (to sell at face value) and gift baskets (to use for Silent Auction).
- Sponsorship Project Mailing
 - Sponsorship income YTD 2023: \$4350.00.
 - Sponsorships continue to come in. (Thanks, Lark, for sending some possible sponsors.)
 - Designed and created new sandwich board displays and banner for Summer Reading and Food Truck sponsors.
- Maker Fest 2023
 - **Saturday, June 24, 9:30 – 12:30.**
 - 15+ Makers coming to exhibit.
 - Please plan to stop by and check it out!
- Library Survey
 - Have received 71+ responses so far.
 - Very positive responses and interesting suggestions.

Mount Joy Borough Codes Department

21 E Main St, Mount Joy, PA 17552

9H

6/28/23

Mark Pugliese
Borough Manager

RE: Monthly Report
Codes, Zoning, & Planning
Borough Council

Mr. Borough Manager,

The following is a summary of the activity completed by the Codes Department so far in the month of June 2023.

The need has come up for the Borough website to be significantly updated in regard to information from the Codes Department which is a continuing project that I am working on as time allows to update and make sure all the most current is available to the public on our website.

Zoning & Building

In the past month we have issued over 52 permits for 39 projects, a full count will be available at the normal council meeting for review. The number of incoming permits has slowed some over the last few weeks, but I anticipate that we will see consistent numbers through the remainder of the summer.

Rentals

My anticipation for the month of June was to have a full report on the program and an outlook for preparations for renewal and inspections going into 2024. I was not able to complete that this month for a variety of reasons and look forward to having that outlook completed for July's report.

Complaints & Violations

We saw an increase in complaints and violations this month. Several of which have taken a significant amount of time to address. I have a separate report included with this general report regarding 454 W Main St and the issues that exist there. Generally, the complaints and violations are simple and easily addressed, some due to circumstances of the situation are taking a little longer to resolve.

Training

I attended a training in Allentown on the 26th and 27th of June for a Zoning Academy held by the PA Assoc of Zoning Officials. This training was extremely helpful in increasing my knowledge base and showing various opportunities to address various zoning and planning considerations in the Borough. I look forwards to applying the knowledge and insight to my work in the future.

Zoning Hearing Board

No hearing in June, No applications for July

Planning Commission

The Planning Commission met on June 10th to discuss the briefing that was presented to Council at the May meeting regarding the potential development at 400 E Main St and to discuss a draft Ordinance for revisions and additions to our Rental Code.

Ordinances

Currently there are amendments with the Solicitor for revisions to Chapter 195 Property Maintenance I am working on drafts for revisions and amendments to the Rental Code and Chapter 136 Fire Prevention and related sections of the Borough Code.

Violations – 454 W Main St (Lots 2,3, and 5)

Over the last few weeks, I have spent a significant amount of time dealing with the property and several of the trailers at 454 W Main St. On May 30th I was called to the trailer at Lot 2 for property maintenance issues and as a result the trailer was condemned, and a demolition order was issued due to the state of the trailer. On June 10th, PD responded with EMS for a medical call at Lot 5 and due to the state of the trailer referred it to me for follow up. I was able to inspect the trailer on Tuesday the 13th which led to the trailer being condemned, and a demolition order being issued for this trailer as well. During a follow up site visit on Wednesday the 14th, it was found that there was active trespassing and ignoring of the posted property notice and the MJBPD was contacted for assistance which led to legal action by the Police Department, because of the activity on the 14th, a third trailer (lot 3) was found to be unsecured, in a state of interior demolition, and abandoned. This trailer was also condemned, and a demolition order was issued against it due to damage to the structure and the condition of the trailer. All here trailer have been secured, various interested parties notified with Notice of Violation and Demolition Orders by certified mail, and several follow up site visits to discuss the way forward. As it currently stands, the trailers for Lots 2 and 3 will be removed with a deadline of 8/18/23. The property owner, who also owns the trailer at Lot 5, would like the chance to remediate the issues with that unit since it is of newer manufacture and placed on the property within the last few years. I have agreed to allow him to explore that option as is allowed in the language of the Demolition Order with the understanding that if any significant structural damage should be found the trailer will have to be removed. The property owner does have an interest in replacing the trailers at Lots 2 & 3 and is being sent a letter regarding the zoning requirements for that to be possible.

Respectfully,

X 

Duane J Brady Jr., Mount Joy Borough

Mark Pugliese
Borough Manager

RE: Monthly Report
Stormwater Management & Enforcement

Mr. Borough Manager,

As you know, I have assumed the duties of Borough Stormwater Officer in the absence of Mr. Godfrey. I have worked with Public Works Director, Dennis Nissley, and the Borough engineer, Kara Kalupson of Rettew, to maintain smooth operations for the time being.

In the month of June, I have performed the following actions as Stormwater Officer:

- Issued three Stormwater Exemption permits.
- Reviewed and participated in several meetings for potential Land Development and Small Stormwater Projects
- Inspected Small Project systems installed for new Residential Construction at 721 and 723 Pink Alley with Rettew
- Inspected Sediment of Basin 152#1 and 153#2 Donsco 101 S Jacob St with Rettew
- Site Visit of BMP 19221 Laurel Harvest Labs with Rettew
- Preparation for MS4 Annual Report with Dennis and Rettew

I look forward to continuing to work with our team to ensure that the Stormwater Management System for the Borough is maintained to proper standards.

Respectfully,

X 

Duane J Brady Jr., Mount Joy Borough

PA Building Code Official #007261

Zoning Officer, Fire Code Official

**BOROUGH OF MOUNT JOY
PUBLIC WORKS DEPARTMENT
MEMORANDUM**

TO: Mark Pugliese, Borough Manager

FROM: Dennis Nissley, Public Works Director

DATE: June 30, 2023

RE: Public Works Department Activities for June 2023

Following is a list of activities for the Public Works Department for June 2023

- Parks – Mowing
- Parks – Water flower planters
- Parks – Weed spraying
- Parks – Power wash salleyport at PD
- Parks – Maintenance of equipment and facilities
- Parks/PW – Attend SMT safety webinar, “Slips, Trips & Falls & Ladder Safety”
- PW – Replace SW pipe on Wood St.
- PW – Miscellaneous pot hole repair as needed
- PW – Change fans in traffic signal cabinets
- PW – Pave driveway cutouts on Pinkerton Rd and N. Angle St.
- Signs – Repair and replacement of missing or damaged signs as needed.
- PW – Hang Library banner
- Compost Site – Monitor the facility use
- Compost Site – Deliver mulch and compost to Borough residents for orders.
- Compost Site – Grind raw materials
- Compost Site – There are approximately 1200 active key fobs

Projects:

- Pinkerton Road project – PW staff has paved all of the driveway cutouts for curb and sidewalks.
- N. Angle Street – One property has not completed sidewalks and staff is attempting to communicate with them via letter or phone about the status of completion.
- Wood Street Project - Many of the property owners have already completed concrete work and that work is ongoing. I am meeting with property owners and contractors and doing inspections on a regular basis. Preparing to send notifications to property owners that have not completed the required curb and sidewalk work. Street and sidewalk contracts have been signed

Meetings:

- Attend Public Works Committee meeting
- Attend Borough Council meeting
- Attend Staff meetings
- Attend Safety Committee meeting
- Attend webinar to learn about Fitness Courts

To: Mount Joy Borough Councilors, Borough Manager Pugliese & Mayor Bradley
From: Scott Kapcsos

June 2023 Authority Administrator Report

1. Scott Kapcsos was appointed, Authority Manager / Administrator, by the Authority Board.
2. Current employment opportunities for the Authority have been advertised in house along with a few online sites.
3. Orange Street water main project.
 - HOP was received from Penn Dot
 - Wet tap was completed on 6/6/23.
 - Staff has installed approximately 300' of 8" main to date, along with the installation of 2 new fire hydrants and an 8" service line for the future American Legion Building.
4. PA DEP performed a compliance inspection at the wastewater treatment plant on 6/12/23. A final report is expected in the next few weeks.
5. The annual Consumer Confidants Report (CCR) was mailed to customers on 6/21/23.
6. PA DEP declares Statewide Drought Watch [Article Viewer \(pa.gov\)](https://www.pa.gov/article/viewer). PA DEP is encouraging everyone to voluntarily conserve water.
7. Authority staff continued review and involvement on the following projects:
 - 1580 Strickler Road (Rapho Township) – Taco Bell – Waiting on as-built drawings.
 - Cornerstone Lot W-1 (Rapho Township) – Water meters were purchased and installed.
 - Rapho Industrial Park sewerage (Rapho Township) – Manholes were vacuum tested. The owner has submitted applications for 6 properties to tie into the sewer main.
 - 1540 Strickler Road (Rapho Township) – received the response from our third letter, all comments have been addressed. Waiting for plans to be provided for approval and signature.
 - Core 5 @ I-283 Project – waiting for response letter from engineer.
 - Covanta Rapho Ind Park – work is complete, awaiting as-built drawings prior to release of escrow.
 - Jura USA Hospitality Center (Rapho Township) – A will serve letter was provided by the Authority.
 - Red Rose Midstream – 55 Maibach Ln Subdivision Plan (Rapho Township) – A will serve letter was provided by the Authority.
 - 30 N. Jacob St – A new domestic and fire line was installed for this property.
 - 400 E. Main St – Staff attended a meeting in conjunction with Borough staff about a potential use for this property.

91

To: Borough Council
From: Jill Frey - Assistant Borough Manager/Finance Officer
Date: 6/29/2023

We received \$ 192,358.35 for May current and interim taxes on 6/1/23. This puts our total current/interim tax collected thus far for 2023 at 93.69%. I anticipate a few larger tax dollar months yet to come.

I attended the Pa State Assoc of Borough's annual conference the evening of June 4, June 5 & 6, and half day June 7. The conference represented 956 Borough's across Pennsylvania. It is always beneficial; I left with tidbits of information I did not have before, received updates from the various State agencies represented, received various resources, and met some very nice people along the way.

I attended a Webinar hosted by PLGIT on Economic and Financial Market Updates.

The Handbook Committee met on June 19th and 26th.

Attached you will find the following items:

Account Balance Report - A report of the reserves in our four major operating funds as of **June 29, 2023**. The report does not show any of June's interest. The interest does not show until the very end of the month.

Budget report for both General Fund and Refuse Fund through June 29, 2023.

If any of you have questions, please do not hesitate to reach out to me.

Respectfully submitted,

Jill Frey

Assistant Borough Manager/Finance Officer

gm

MOUNT JOY BOROUGH MEMORANDUM

TO: Borough Council and Mayor

FROM: Mark G. Pugliese I, Borough Manager

DATE: June 30, 2023

RE: Manager's Report

1. I have processed 2 (two) **Right-To-Know Requests** for the month of June so far.
2. I have attended the Council Meeting, Public Works Committee, and Chamber of Commerce meeting, t so far this month, as well as a staff meeting for department heads.
3. I am receiving regular updates from the Borough Handbook Committee and Safety Committee
4. Reference to **BMP 107/Melhorn Basin**, - On Thursday, May 11, 2023, Borough staff (Nissley, Godfrey and myself) met with staff from RETTEW (Caldwell, Kalupson & Smith) at BMP 107 (Melhorn Basin) and BMP 125 (Borough Basin) for several hours. RETTEW staff did a very thorough inspection of the basins looking at inlets, outfalls, etc. They took numerous photos of the areas. They were provided with background as well potential concerns raised by Mr. & Mrs. Schatz and their engineer. They plan to take a look at all data they have received, on-site findings, and legacy information and provide a report to the Borough. NO UPDATES.
5. **AMTRAK** – I made contact via email with 2 representatives from AMTRAK. I provided them with my concerns as well as photos of their areas of responsibility at BMP 107. They advised that they need to discuss this with other staff and get back to me. No updates. I will reach out again to Amtrak.
6. Reference to **BMP 125/Borough Basin** - Documentation provided to RETTEW for their review and recommendations if any. The only remaining item that I am aware of at this point is the vegetation at the bottom of the basin. I have completed some unscientific observations of the Borough basin and will forward it to RETTW to include in their analysis. Additionally, ARRO has submitted a pay application to Kinsley for work for which Mr. Nissley and I have failed to notice any additional work being conducted. At this point they believe that they have reached the 70% vegetation as required by contract and I personally believe that the basin floor is at 50% at best. I will keep you posted.
7. Reference to **Brady's Alley**, this project has been turned over to RETTEW for review and direction. **No Updates**
8. **Building Ad Hoc Committee** – No official meeting was held this month however, at Council's meeting on June 12, 2023, Council provided a mandate of a 10% reduction in the size of the building. I have some concerns about this, first being that a 10% reduction in size will not translate to a 10% in cost reduction. Additionally, CRA provided Chief Goshen and I with preliminary plans showing some reductions. The new plan effectively reduces the size of the offices to a point where the majority of staff will be moving in to smaller spaces than they are currently working in. Additionally, we discussed removing some of the unoccupied offices which would effectively leave room for only 1 to 2 additional borough or borough

authority staff for the life of this building. I am not saying that there isn't space to cut but it really needs to be done wisely.

9. **Rt 772 Re-Route** Awaiting traffic studies to come back. **No updates.**
10. **Pinkerton Rd** – Working through punch list items. This project is nearing final completion. Police Department is conducting a traffic study on the newly paved roadway to determine any further restrictions. There has been a legal item that has been raised that will come before Council during an Executive Session.
11. **Grants**
 - a. **DCED Multimodal Transportation Fund Grant** – HOP applications have been resubmitted. Awaiting comments. Working with RETTEW we have identified two (2) crosswalks that will present a challenge with sign placement. At this point in time, it doesn't appear that we can add any additional intersections without the delay of the entire project. I have asked that RETTEW be ready to issue the RFP as soon as we receive the HOP's. Additionally, we are working with South Central Transit Authority on the placement of the bus shelters as provided in the grant. Unfortunately, we will need to work with PennDOT to get authorization for the shelters. I am also working with property owners for easements.
 - b. **902 Recycling Grant** – Public Works has purchased some of the equipment and they are waiting for a piece to be delivered. I believe there is still one piece of equipment that needs delivered.
 - c. **DCED/DCNR C2P2 Grant** - This grant has been approved. The Parks and Recreation Advisory Board held it's first meeting which was primarily an organizational meeting and discussion of objectives and goals. Next meeting will be held on July 18th, 2023, at pavilion #2 at the Little Chiques Park
 - d. **Kunkle Field/Park Heritage Grant** – TEAMS meeting help with our state contact. RETTEW is in the process of doing engineering studies and putting together a cost estimate for submission. We will attempt to physically move forward with this project in the fall so as not to interrupt team schedules. **No updates.**
 - e. **RACP Grant** – Received notification that the Borough has been awarded \$3,000,000 in total. An extension request has been submitted. I have received an email indicating that the RACP deadline has been extended through December 20th 2023.
 - f. **Lancaster County Community Foundation/Lancaster Clean Water Partners** – grant to cleanup and update swale in the Reserves. This is a public private partnership and we have been approved for a \$20,000 grant. We currently have 2 quotes. I contacted the 3rd contractor again and have not received an email or call back from him. I will be reaching out to another contractor for the required 3rd quote.
 - g. **NFWF Grant** - In cooperation with RETTEW we have submitted a NFWF Grant for the Little Chiques Stream Bank Restoration Project in the amount of \$500,000.00. The Borough was previously turned down for this grant in 2022.
 - h. **DCED Grant** – We are currently working on a DCED grant for the Little Chiques Stream Bank Restoration Project in the amount of \$300,000.00. The Borough was turned down for this grant in 2022.
12. **Schatz v. Borough of Mount Joy**. **No updates.**
13. **Florin Hills Infiltration Basin "D"** – No We have received a letter from the attorney for the HOA requesting that the Borough take some action on the builder and that they also planned to take some legal steps. I reached out to the Borough Solicitor. This item will be discussed during the next meeting.
14. **Borough Solicitor** – Staff and I have been working on numerous projects with the Borough Solicitor.
 - a. Stormwater swale issue on Manheim Street, swale needs to be cleaned out.
 - b. Ordinance for permit parking,
 - c. Updates to Stormwater Ordinance.
 - d. Updates to Building Maintenance Code Zoning Ordinance Changes
 - e. Cresco Lab sink hole.
15. **LED Lighting** – **No updates**
16. **EV Charging Station** – **No updates**

17. Regarding the black mold that was detected in the police station. EHC has completed the air duct cleaning. I have also purchased several office size air filtering systems. Additionally, Hershey Brothers HVAC has completed a six-month service on the systems and replaced several components to our system.

This completes my report for May 2023 to date. As always, please let me know if there are any questions or comments.

End of Report

BOROUGH OF MOUNT JOY
Lancaster County, Pennsylvania

RESOLUTION NO. 2023-11

A RESOLUTION OF THE BOROUGH COUNCIL OF THE BOROUGH OF MOUNT JOY,
LANCASTER COUNTY, PENNSYLVANIA, APPOINTING AND/OR REAPPOINTING
MEMBERS OF VARIOUS BOARDS, COMMISSIONS AND POSITIONS WITHIN THE
BOROUGH ORGANIZATION.

WHEREAS, the Borough of Mount Joy has appointed persons/firms to various positions;

WHEREAS, Borough Council may, from time to time, wish to appoint an individual or firm to replace a
previously appointed individual or firm;

WHEREAS, Borough Council desires to appoint an individual to replace a previously appointed
individual;

NOW, THEREFORE, BE IT RESOLVED by the Borough Council of the Borough of Mount Joy, Lancaster
County, Pennsylvania, as follows:

The Council of the Borough of Mount Joy appoints the following individual to the position for the terms as
presented hereinafter:

Borough Treasurer	Scott Kapcsos	1 ½ Years	Term expires 01/01/25
--------------------------	----------------------	------------------	------------------------------

DULY ADOPTED this 3rd day of July 2023, by the Borough Council of the Borough of Mount Joy
in lawful session duly assembled.

Attest: _____
(Assistant) Borough Secretary

Council (Vice) President

[BOROUGH SEAL]

AGREEMENT

This agreement is made this 3rd day of July 2023, between the Borough of Mount Joy (herein after called the Borough) and the Mount Joy Borough Authority (herein after called the Authority), Lancaster County, Pennsylvania.

WHEREAS, both parties to the aforementioned agreement wish to establish a formal document for operations and financial reasons.

NOW, THEREFORE, the parties agree to the following:

1. The Authority agrees to provide reimbursement for 50% (fifty percent) of all costs related to the operation and maintenance of the Public Works facility located at 25 South Melhorn Drive. This reimbursement shall be contingent on joint approval of all upgrades/repairs beyond the dollar figure of \$1,000.00. It is recognized that the Borough and Authority operate on two different budget and year end cycles. Coordination of major projects must recognize that timing issue.
2. The Authority agrees that it will provide reimbursement of 33% (thirty three percent) for the operation and maintenance of the Borough Office facility located at 21 East Main Street. This reimbursement shall be contingent of joint approval of all upgrades/repairs beyond the dollar figure of \$1,000.00. It is recognized that the Borough and Authority operate on two different budget and year end cycles. Coordination of major projects must recognize the timing issue.

WHEREAS, this agreement shall constitute the entirety of the agreement and shall by action repeal any all other agreements between the Borough and the Authority in their entirety.

WHEREAS, This agreement shall be remain in effect for a period of time retroactive to January 1, 2023 and expiring on December 31, 2024, but can be extended or amended by agreement of both parties.

IN WITNESS WHEREOF, the parties set their hand and seal.

Project Information

Project Name

School Lane Active Transportation Project

Is this a Construction Project or Study?

Construction Project

Study

Project Location and Limits

School Ln. in Mount Joy Borough (approx. one mile stretch of road) and part of Rose Petal Ln. and Arbor Rose Ave.

Total Project Cost

\$ 377,000.00

Total Funding Request from Lancaster MPO for Construction Phase
(sponsors pay all other pre-construction costs)

\$ 290,000.00

Total Funding Request from Lancaster MPO for Study
(not to exceed 80% of project cost)

Total Match Amount for Study
(20% match required)

Has the Project or Study been identified in a Study or Plan? If so, which one(s)?

Yes, Mount Joy Active Transportation Implementation Guidebook.

Project Description (100 words or less)

Following recommendations set forth in the Mount Joy Active Transportation Implementation Guidebook, Mount Joy Borough has committed to creating a transportation network which will facilitate non-motorized transportation by adding walking and bike paths, increasing accessibility, and adding safe road crossing points. This network will link multiple parks, residential areas, and commercial areas, as well as providing recreational opportunities for Lancaster County residents. As a first step in this process, our proposed project will include adding bike lanes and multiple ADA ramps along the length of School Lane, as well as on Rose Petal Lane and Arbor Rose Ave.

Biography

Hello, my name is Chris Miller. I am a lifelong resident of the Donegal School District. My wife Julie and children, Grace (23), Lydia (21), Emma (19), and Christian (15) reside in East Donegal Township along with our dog Maggie. Mount Joy is a special place to me. It is our home and the location that my wife and I have chosen to raise our family. We attend Community Bible Church in Marietta, PA. Julie has been an elementary teacher for the past 7 years at the Donegal Intermediate School. Our three daughters have each graduated from Donegal and our son just completed his Freshman year.

Shortly after graduating from Mansfield University in 1997 with a degree in Elementary education, I returned to Mount Joy, got married, and began my teaching career at Maytown Elementary School as a 2nd-grade teacher (1998-2004). From there, I took a newly created Dean of Students position at Donegal High School from (2004-2007), then the Assistant High School Principal (2007-2015), and currently the Principal at the Donegal Primary School (2016-present). I have also coached High School Baseball (1998-2016) and Junior High football (2004-2012). Serving the community in which we reside has been a blessing to both myself and our family. We have made lifelong friends, enjoyed community events, participated in and supported our children through youth sports, and followed our beloved Donegal Indians to many competitions and events.

Our family is quite active. When I am not working, we enjoy hiking the local trails, vacationing at the beach, or spending time with family at our cabin. Faith, Family, and community are what define who I am.

I look forward to helping to support this committee so that future generations can continue to enjoy the benefits that Mount Joy has to offer its citizens. Thank you for this opportunity to serve the residents of this wonderful town.

Mount Joy, PA 17552

Attn: Mr. Dennis Nissley

Dear Mr. Nissley,

Please accept this letter as a formal notification that I am leaving my position as a Maintenance Technician with the Mt. Joy Department of Public Works. My last day of employment will be Wednesday, July 5, 2023.

I would like to take this opportunity to say that making this decision has not been an easy one for me, but I am forced to seek a higher salary since I struggle to make ends meet.

I personally would like to thank you for the opportunities you have provided me with during my time with the Department. Working with you and the crew members has been a very rewarding experience.

Sincerely,

Brandon Pecora

On-Street Parking Study for the 100-300 blocks of Pinkerton Road

Mount Joy Borough Police Department

On-Street Parking Study for the 100-300 blocks of Pinkerton Road

May 2023

Prepared by:

Sgt. Scott Drexel

Chief Robert Goshen

Mount Joy Borough Police Department

21 East Main Street, Mount Joy, PA 17552

Office: 717-653-1650 | Fax: 717-653-0062

Introduction:

This study has been prepared for the Council of Mount Joy Borough to analyze the feasibility of on-street parking on Pinkerton Road between Marietta Avenue, and the municipal boundary that exists just south of the residence located at 326 Pinkerton Road.

This report examines the advantages and disadvantages that may occur by permitting on-street parking and provides recommendations for mitigating potential hazards and damages.

Study Area:

The area of this study is Pinkerton Road in Mount Joy Borough, specifically the section of Pinkerton Road between Marietta Avenue and the residence located at 326 Pinkerton Road, collectively referred to as the 100-300 blocks of Pinkerton Road. This roadway is designated as a north-south local road which extends beyond the Borough limit at East Donegal Township. This roadway is frequented by motor vehicles, school buses, farm equipment, bicyclists and pedestrians.

History:

Pinkerton Road was originally a designated alley in the early 1900s. Over time, this roadway has received considerable improvements that has changed the road from a one lane service alley to a two-lane thoroughfare. In 2022, the Borough improved the roadway again, increasing the width to nearly 30 feet, installing curbs, sidewalks, and improved stormwater drains. This roadway was also the subject of a previous study which outlined the need for limiting the size of commercial vehicles to less than 40 feet to prevent damage to the existing infrastructure.

Existing Conditions:

After completion of the latest road improvement, the width of this roadway varies considerably. Pinkerton Road is approximately 24 feet wide at the intersection with Marietta Avenue. This roadway then increases to 28 feet wide at a point 11 feet north of Richland Lane. The roadway increases in width again to 31 feet just south of Richland Avenue, and maintains this width to the Borough jurisdictional limit just south of the residence located at 326 Pinkerton Road. At the junction with East Donegal Township, the roadway abruptly shrinks to a width of 20 feet. Alignment was maintained on Pinkerton Road utilizing the eastern roadway edge and supporting curb line as it enters the Township.

Currently, there are no turning lanes, nor has any fog lines or dividing lines been added. This roadway is currently designated as a two-way local roadway with multiple points of entry and egress. There is also no regulatory stop signs or signals along the entire length in question.

A brief interview was conducted between May 7th and May 26th, 2023 with those residents that live directly on Pinkerton Road. Of the residents spoken to, all with the exception of one resident voiced their preference with maintaining parking on *both* sides of the roadway. Of particular concern mentioned by nearly every resident was the concern for motorists speeding through the neighborhood. Speed enforcement on this particular section of roadway predates the current road improvements, and since the roadway has reopened to through-traffic, has been re-instituted.

Assessment:

Stopping, standing or parking may be restricted along the curb or edge of a roadway if the distance between the center of the center line pavement markings (or the center of the roadway if center line pavement markings are not present) and the curb or edge of roadway is less than 19 feet on major arterial highways, or less than 18 feet on other roadways (*PennDOT pub. 212.114*). In addition, if the street width is such that, if vehicles are parked along one or both curb faces or edges of the roadway, two vehicles cannot move abreast of one another in the same or the opposite direction without one yielding to allow the other vehicle to pass. Pinkerton Road from Marietta Avenue south to Columbia Avenue provides an average of 12 to 13 feet per lane of travel. A minimum of (8) eight feet is the preferred width of on-street parking space (*PennDOT/MUTCD Section 3B.19 Parking Space Markings*).

Lane width should be considered within the overall assemblage of the street. Travel lane widths of 10 feet generally provide adequate safety in urban settings while discouraging speeding. Using this model, parking on both sides of Pinkerton Road from Marietta Avenue extending south to Columbia Avenue should be prohibited, as the roadway only measures a maximum of 25'9" at its widest point (south side of Columbia Avenue).

Columbia Avenue facing north

Lane width increases to nearly 28 feet from South Alley to Richland Lane. This increase in width would accommodate parking on either the east or west side of Pinkerton Road. South Alley is designated as a one-way westbound from Poplar Street to Pinkerton Road. If parking is permitted on the east side of the roadway, this may impair the field of vision a motorist may have southbound from South Alley. This same concern exists if parking is considered on the west side, as the driveway for the residence located at 205 Pinkerton Road bisects the area between South Alley and Richland Lane, potentially creating a visual impairment for motorists looking north as well as south. Moving south from the driveway for the residence located at 206

Pinkerton (east side) does appear to have sufficient room and visibility to allow parking, and may be considered.

View southbound from South Alley

View northbound from South Alley

Pinkerton Road then increases width to nearly 32 feet upon crossing Richland Lane southbound, and maintains this width to the jurisdictional border with East Donegal Township in front of the residence located at 326 Pinkerton Road. Although minimum lane/ parking widths would suggest at least 36 feet is necessary to accommodate parking on both sides, this should only be a consideration in areas with high resident or commercial density. Allowing parking on both sides of the street would address the resident's desire to have on-street parking available, as well as address their concerns of speeding motorists. The most pronounced effect on speed occurs on narrow two-way streets with parking on both sides. If parking is sufficiently occupied, and street width is less than 30 feet, there is a "chicane" effect as vehicles may occasionally have to pull over to permit opposing vehicles to pass. Creating this chicane effect is appropriate only on local streets. Even for streets wider than 30 feet, on-street parking may serve to reduce speeds slightly by narrowing the effective roadway width. Currently, on-street parking is utilized sparingly, so the reduction in visibility of pedestrians and vehicles to each other is minimal. Parking on both sides of Pinkerton Road should be considered south to the jurisdictional boundary with East Donegal Township.

View southbound from Richland Lane

View southbound from School Lane

Center line pavement markings were taken into consideration for this study. Center line pavement markings delineate the separation of traffic lanes that have opposite directions of travel. The MUTCD has specific criteria for requiring center lines and determining when center lines are recommended and when they are optional. Figure 1 provides a summary of these requirements (*MUTCD Section 3B.01*). For most local two-lane, two-way roadways, center lines are optional. Center lines can be placed on roads where engineering judgment or study indicates a need.

	Area Type	Road Class	Lanes	Daily Traffic (ADT)	Travel Width (ft.)
REQUIRED	Urban	Collectors Arterials	2	6,000+	20+
	Any	All	5+		
RECOMMENDED	Urban	Collectors Arterials	2	4,000+	20+
	Rural	Collectors Arterials	2	3,000+	18+
MAY CONSIDER	Any	All	2	Any	16+

Figure 1: MUTCD criteria for center line markings on paved two-way streets.

Yellow center lines are generally 4 to 6 inches wide, and are not required to be continuous, nor are they required to be located in the center of the roadway. It is important to note the MUTCD specifically annotates a single solid line may not be used as a center line marking on a two-way roadway. For this study, the potential benefit is minimal, as there are no hills or curves, nor does the posted speed limit of 25 mph allow for a passing zone.

Recommendations:

Parking on both sides of Pinkerton Road from Marietta Avenue extending south to South Alley should be prohibited. Parking should be considered on both sides of Pinkerton Road beginning from a point 20 feet south of the southernmost corner of the intersection of Pinkerton Road and South Alley, and continuing southbound on both sides of the roadway to the municipal boundary with East Donegal Township. Yellow curb painting should also be considered for Pinkerton Road at the intersections of Richland, School and Locust Lane to assist motorists in maintaining a distance of at least twenty (20) feet from the intersections.
