MOUNT JOY BOROUGH COUNCIL REPORT FOR JULY 2020 ACTIVITIES

We have been working one-on-one with several businesses downtown during this difficult time. We are also continuing with the regular Zoom / Webinars through Recovery Lancaster, PA Downtown Center and other groups.

- Held July 4th Friday. It was OK, but not as well attended as June. There are a few factors that may have impacted this: High temperatures & restaurant capacity guidelines.
- Working with a business on establishing email marketing program. Selecting service, setting up account, determining content and schedule for campaigns.
- Working with a business on re-branding their space as a new concept while keeping their current concept active until the re-branding is ready.
- Working with 2 businesses on website issues. One is a full development and one is a transition to a new e-commerce platform.
- Looking for space for 2 businesses that want to move into Mount Joy. There are no available spots downtown, except for one building for sale. They are both looking to rent space.
- Distributed apartment rental opportunities to 12 people in Mount Joy.
- Staying in contact with Make-A-Wish as they move to a virtual Convoy and work with planning the 2021 Convoy.
- Developed videos for businesses downtown showing safety protocols in place.
- Working on more videos for downtown businesses to use for social media.
- Working with a business on creating new potential customers & business opportunities: Researching potential opportunities for business to expand services.
- Looking for alternatives for our largest 4th Friday: October's Downtown Trick or Treat. There were 1500 people downtown in 2019, which would not be acceptable in 2020 under the current large group guidance.
- MSMJ is researching new fundraising opportunities. We lost fundraising income from the 2020 Car Show cancellation. If large group gathering guidance continues into Fall & Winter, we will be losing fundraising income from potential Winterfest cancellation. Starting to think about 2021 events and how they might function.

While there are no downtown businesses that have closed during the COVID pandemic, the longer this goes on, the greater the chance of it happening.

Rosie's Tavola closed mid-July, but it was for reasons other than COVID. There are 2 employees of Rosie's Tavola that are re-branding the business under a new concept and re-opening in August. Just Wing It Mount Joy location is under new ownership and waiting to open. Mount Joy Diner was closed for several weeks and re-opened July 27.

Financial Stability (HUB)					

Executive Summary

All but one staff member returned to work. We are working to make the library safe but not scary.

- Grab and go was slow after the first few days. It has continued with people requesting service on an as needed basis.
- We are receiving new materials slowly.
- Getting PR out has always been difficult. Particularly now as the County Libraries opened at different times and under different scenarios. MSL was one of the first Libraries to restart services.
- The construction on Marietta Ave. and the lack of programming also contribute to low attendance.
- But, it is improving, and we have heard the library is the first place families are bringing their children.

SUSAN – Circulation Coordinator:

- 890 items were requested by 284 patrons during the Grab & Go period June 8-June 20.
- Quarantining items makes circulating new items even more slow and frustrating for patrons.
- Staff receives training on post-COVID operation procedures.
- Amelia Rhoads began working with us June 15. She is willing to work until she finds a fulltime position.

Community Relations (Barbara et al)

- Attended virtual Borough council and director's council meetings and Live Rotary meetings.
- Friends of the Library held a mini-book sale, corresponding to MSMJ's Fourth Friday event.
- They have begun promoting their 2020 book sale at Kraybill Mennonite School August 13, 14, and 15.
- PA Humanities grant request submitted for \$10,000 for books, movies and new video recording equipment.

Youth Services (Jan)

- Continued the online videos covering STEM, teen events, & stories and songs.
- We move to small, outdoor story times, and SRP activities in July
- Learned and opened up Beanstack, the virtual Summer Reading Program. Other SRP activities begin on line.

Facility (Barbara)

- Staff resumes regular working hours on June 8. Cleaning, decorating, updating procedures, and preparing for Grab & Go from the front porch was the job until June 22 when we opened to the public.
 - Chairs removed and pathways expanded to improve patron flow.
 - Shade sails installed for storytime and other summer programs. New 10x20 foot tent has just arrived.
 - Reimbursement to County for Cleaning after the election received. County COVID-19 supplies arrived.
- Cleaning company price increased due to an increase in the cost of cleaning materials.
- We reduced the number of computers in use to 2 in June. Expanded the number to 4 in July.
- Quarantine space is in the boardroom. All returning books are quarantined for 3 full days.
- Reimbursement request sent to LSLC for start-up expenses. Total request = \$5,283.92.

Subject: Stop line evaluation of South Barbara Street at East Main Street

Requestor: David Eichler- Councilor

Evaluator: Robert Goshen- Chief of Police

Dr. Eichler addressed his concerns for semi-trailer trucks traveling east on Main Street and attempting to negotiate a southbound turn onto South Barbara Street. Truck operators are unable to complete the turn as they encounter traffic that is stopped at the properly marked stop line governing the northbound lane of travel on South Barbara Street at East Main Street.

Current stop line is placed approx. 21 feet south of the crosswalk.

Total distance from stop line south to first curb break is Approx. 55 feet.

Width of South Barbara Street is 32 feet.

Positioning of semi-trailer truck (assuming wheelbase of 50 feet) is 50 feet from center of East Main Street travel lane to eastern most corner of stop line governing northbound travel on South Barbara Street at East Main Street. The return, or distance required to return to the southern travel lane is nearly 25 feet, which bisects the current marked stop line.

Realigning the stop line south to 40 feet from the crosswalk would allot 76 feet of approach angle before return. This is several feet longer than most semi-trailer trucks and would allow for ample room to maneuver back into the southbound lane.

Subject: Grass Strip
Location: 114 Columbia Avenue
Parcel ID: 4507525400000

Dear Borough Council Members,

We, Dennis and Janet Lehman, are writing to you regarding Ordinance 2 - 20 related to grass strips within sidewalks. We own the property at 114 Columbia Avenue and for about the past ten years have had brick in the area between the sidewalk and the curb. (Please see the enclosed picture.) We are requesting a waiver of section 232-60A (7) so that the brick that is currently placed between the sidewalk and the curb at 114 Columbia Avenue, Mount Joy, may remain.

Thank you for considering our request, and we look forward to hearing from you.

Sincerely,

Dennis & Janet Lehman
