

Announcement for Website and Facebook

School Lane Seal Coat

Seal coating is scheduled for **School Lane from 772 to the dead end at Westview Park**. This project will be completed in one day and is planned for Thursday or Friday August 8 or 9. The weather could affect this schedule. The contractor will post signs prior to the day when the work will be completed. Parking on the street will not be allowed while the work is in progress and signs will be posted to inform residents. We ask that residents of School Lane from 772 to Westview Park that need to drive somewhere, please move your car outside the project area prior to 7 am on the day of the project. All other people should find an alternate route.
