Snow Removal Ordinance

§ 232-93 Removal from sidewalks.

The responsible party for a property fronting upon or along any street within the Borough is hereby required to remove or cause to be removed from all of the sidewalks in front of or alongside such property all snow and ice which has fallen or formed thereon within 24 hours after such snow and ice has ceased to fall or to be formed so that there shall be a clear walk along the entire length thereof at least three feet in width. In the event that snow and/or ice on a sidewalk has become so hard that it cannot be removed without the likelihood of damage to the sidewalk, the responsible party shall, within 24 hours after the snow or ice has ceased to fall or form, cause enough sand or other abrasive to be placed upon the sidewalk to make travel reasonably safe and shall, as soon thereafter as weather permits, cause to be cleared a path in said sidewalk of at least three feet in width.

§ 232-94 Removal from buildings and structures.

Every responsible party shall remove and clear away, or cause to be removed and cleared away, any accumulation of snow and ice on a building or other structure which is liable to fall on any sidewalk, roadway or other public way. Such work shall be completed within a reasonable time, but not later than 24 hours after the cessation of any fall of snow, sleet or freezing rain.

§ 232-95 Removal from fire hydrants.

Every responsible party shall remove and clear away, or cause to be removed and cleared away, any accumulation of snow or ice surrounding a fire hydrant located along the frontage of the property of the responsible party. Such work shall be completed within a reasonable time, but not later than 24 hours after the cessation of any fall of snow, sleet or freezing rain.

§ 232-96 Deposit of snow or ice restricted.

No person shall deposit or cause to be deposited any snow or ice on or immediately next to a fire hydrant or on any sidewalk, travel lanes of a street or loading or unloading area of a public transportation system, except that the Borough may mound snow and ice on public cartways incident to the clearing thereof or on curbs, and persons may mount snow and ice on curbs incident to the clearing of sidewalks in business districts.
